NEWS RELEASE

September 27, 2018

TSX Trading Symbol: FNC

Fancamp Director Resignation

Fancamp Exploration Ltd. (“Fancamp” or the “Company”) (TSX VENTURE: FNC) wishes to announce the resignation of Dr. Fouad Kamaledine from the Board of Directors, effective immediately. He will remain as V.P. Research and Development for the Company as per his contract.

The Company will continue with its in effect, streamlined, four member Board, well acquainted with, and supportive of, the Company’s fast developing projects. The focus is on the government grant supported “Magpie Process” demonstration plant currently in its earliest stages, and the dynamic “Industrial Synergy Route” as previously reported (NR September 13th,2018) together with current boots on the ground exploration activity on the Company’s, Ontario, Quebec and New Brunswick gold prospects, to be completed before the snow flies.

About Fancamp

Fancamp Exploration Ltd. is a Canadian junior mineral exploration company. It continues to evolve into a holder of shares in partner companies together with royalties. The Company has an exceptional inventory of resource properties in three provinces; Quebec, Ontario and New Brunswick. The commodities include gold, base metals, chromium, titanium and iron. The Company is a reporting issuer in British Columbia, Alberta, Ontario and Quebec and its common shares are listed for trading on the TSX Venture Exchange under the symbol FNC.
